Clothes encounters

An exotic collection of colours and opulent inspiration are the themes behind the 2008 range from Malabar Fabrics. Pictured here are two silk floral embroideries (Mandara) and a coordinating silk stripe (Maylee) – perfect for curtains, blinds, cushions and bedspreads. Combine them to luxurious effect or enjoy them separately. Revel in the new collection available through Halogen International – eight ravishing colour schemes, from bold and beautiful to soft and feminine from Japanese to English Garden. Dreams are made of this...

Winter just got a little warmer with the launch of Lifson Products' most luxurious range of bedding to date – Premium Royal Comfort Hungarian Goose Down duvets and pillows made from imported, hand-harvested down that's renowned for its superior warmth. The large, fluffy clusters of Hungarian down possess a unique ability to trap large pockets of air, ensuring an exceptionally light duvet that provides ideal warmth all year. Lifson Products have encased their luxurious Premium Hungarian Goose Down duvets and pillows in 350-thread count down-proof casings edged with elegant satin piping, guaranteeing you of a product that is truly luxurious to touch and pure bliss to sleep under. Find the Lifson Products ranges at leading retailers nationwide, or contact Lifson Products on +27 (0)21 448 5703.
